New in 2023, our Oswego wrap comes as a kit that can be installed on any shape handle.

The kit features:

- High-quality American leather that is durable in all the elements, warm to the touch, and has an outstanding handfeel
- Cleans easily and will develop a rich patina with age and use
- Will last a lifetime: can be un-installed and re-installed on new appliances and moved from house to house
- A staple extension system for connecting multiple wraps on extra-long handles (even bannisters!)
- An optional leather "cuff" for neatly-finished ends
